The parties agree that this Contract shall cover and the Union which is a party hereto shall have jurisdiction over all meat department employees in retail stores that are, or will be, owned, leased, or operated by the Employer in such counties. _____

In the event of a change of ownership of the operation, the selling company shall pay off all obligations regarding wages, pro-rata of earned vacation, or other monetary benefits due employees under the terms of this Agreement at the time of transfer of ownership.

B. For the purpose of this Contract, the meat department includes all employees who are engaged in the handling, processing, and offering for sale of fresh and frozen meats, poultry, fish, rabbits, sausage, smoked meats and meat products, which has customarily been performed by bargaining unit employees in the store shall continue to be within the work and collective bargaining jurisdiction of the Union, regardless of the place of performance, (1) to the extent that such work continues to be performed by Employer, (2) to the extent such work is performed by the Employer within the Union's geographical area of representation as set forth above, and (3) to the extent such work is not currently represented by another union. Specifically, although only the Employer's store meat departments in the aforementioned geographical area are covered by this Agreement, the Employer will continue to recognize the Union's work and collective bargaining jurisdiction over the Employer's store delicatessen operations that existed prior to the execution of this Agreement. The wholesale suppliers performing services to the Employer in the markets may continue to do so to the extent these services are presently performed.

C. It is not intended by any provision of this Agreement to prevent the Employer from cutting, packaging or otherwise handling meat at any central point. The Employer agrees that any work of cutting, packaging or otherwise handling meat at any central point owned, leased, or operated by the Employer in the following county or counties: _____

which was previously performed at the Employer's retail markets will be performed by members of this bargaining unit under the wages, hours and working conditions of this Contract, except where this work is under the jurisdiction of an existing collective bargaining contract with the Employer. New classifications may be established for such work in any central location if a new classification does not primarily embrace work being performed by employees in any established classification. Prior to establishing such new classification the Employer and the Union shall confer to establish the wage rate for such classification. In the event the parties cannot agree after such conference the Employer may establish such new classification and rate.

B. The Employer and the Union agree that neither shall discriminate against any employee because of age, race, creed, color, sex or national origin.

C. The Employer shall, during the term of this Contract, deduct initiation fees and regular Union dues, at least monthly from employees who are members of the Union and who individually certify in writing authorization for such deductions. The Employer shall remit all sums deducted in this manner to Local Union No. 408.

D. It is agreed that the Company will not attempt in any manner to prevent or discourage any employee from joining the Union or engaging in any activity on behalf of the Union. The Company agrees to tell new employees that they are operating under a Union Contract.

Provided, however, that Meat Cutters Local No. 408 agrees that it will give the Employer at least forty-eight (48) hours notice after such primary picketing commences of its intention to sanction any such primary picket.

In cases where the apprentice has not qualified as a journeyman at the end of the apprenticeship training period in the judgement of the Employer, such apprenticeship period may be extended an additional six (6) months and the apprentice shall be paid at the top apprentice rate during this period.

Nothing in this Section C will prevent the Employer from advancing an apprentice to a journeyman before the end of the apprenticeship training period if, in the judgement of the Employer, the apprentice is qualified.

D. Employees engaged in weighing, wrapping, pricing, and displaying shall be eighteen (18) years of age or over. Wrappers may be employed to wrap, scale, price, label, display, board, tray, bag poultry and other items, stock meats and slice cheese, bacon and delicatessen items with slicing machines, and to clean work tables and any equipment that they work with including removable racks on display cases,

Employees in the Weighers and Wrappers classification will have the opportunity to transfer without loss of seniority or reduction in straight time hourly wage rate to the apprentice classification when a vacancy exists, provided they have the skills, abilities, and physical capacity to perform the work. Employees in the Weighers and Wrappers classifications wishing to make application for such openings shall do so in writing with copies to both the Employer's designated official and the Union.

E. The Employer and Union agree that any qualified employee eighteen (18) years or older regardless of age, race, creed, color, sex or national origin, is eligible to work, and will be given an equal opportunity to work, in any job classification covered by this contract.

Such experience in order to be considered, must be within two (2) years and immediately prior to date of hire excluding Military Service, and must be formally specified on application for employment. Proof of previous comparable experience must be furnished by the employee or determined by the Employer within thirty (30) days after hire, in order to have such experience considered. Any rate increase will be placed into effect when the experience has been verified and will become effective as of the date of verification.

D. Newly employed employees shall be classified by the Union as to their qualification for journeymen and apprentices.

E. When a journeyman meat cutter is designated by the Employer to relieve the Head Meat Cutter for a period of five (5) consecutive scheduled working days or more said journeyman shall receive the rate specified in this Contract for the Head Meat Cutter for the entire period of such relief.

It is further understood that this guarantee will not apply when time off is granted by mutual agreement between the Employer and the employee. Employees shall be granted two (2) fifteen (15) minute rest periods each day; one rest period to be taken during the shift worked prior to lunch, and one rest period to be taken during the shift worked after the lunch period. These rest periods are to be considered as time worked. Lunch periods shall not exceed one (1) hour.

(2) During the term of this Agreement the Employer will not simultaneously reduce the scheduled working hours of its regular full-time employees across the board and without regard to seniority. Whenever a reduction in the working force is necessitated the Employer will reduce the employee or employees affected pursuant to Article VI (Seniority). Schedules will be arranged to provide senior full-time employees with as many full forty (40) hour per week schedules as is consistent with the requirements of the business with the understanding that hours will not be added unnecessarily to accomplish this objective.

Hours worked before 6:30 a.m. and after 6:30 p.m. except as above stated shall be twenty-five cents (\$.25) per hour above the regular rate of pay. Work performed on Sundays and holidays shall not be included in determining the workweek.

G. Work performed on Sundays shall be paid at not less than time and one-half (1½) the regular rate of pay.

(2) Such schedule will not be changed during the week, without the consent of the employees, unless such requirement is necessitated because of sickness or emergencies (emergency means strike, fire, flood, etc.). Employees' schedules will not be changed to avoid payment of overtime, except as allowed herein. An employee who works the basic workweek and who is required to work on a scheduled day off will receive time and one-half (1½) for all work performed on that day. (The scheduled day off is the one posted on Friday, or any allowed revisions thereof.)

L. A work schedule for part-time employees for the succeeding week shall be posted in each market by 4:00 p.m. on Friday of the current workweek, provided however, the Employer may change the schedule of any part-time employee during any part of the workweek if business conditions necessitate such change.

N. No employee shall be required to work more than five (5) hours without an unpaid lunch period.

O. Any full-time employee who reports for work as scheduled, without previous notice not to report, shall be guaranteed a minimum of his scheduled hours of work on that day, or four (4) hours of work or pay, whichever is less.

P. If employees are required to attend store meetings, sales meetings or other Company sponsored meetings outside of the scheduled daily or weekly work hours, such time shall be considered as time worked.

Q. Where work is performed, but not recorded, the employee involved will be subject to disciplinary action including discharge. Employees who record another employee's time shall be given one written warning and if repeated the employee shall be disciplined including discharge.

R. Employees shall be paid weekly.

ARTICLE VII OWNER - MEMBER

When no journeymen are employed, the proprietor or one of the partnership may become a member of the Union and as such shall be entitled to display the "Union Market Card"; provided that such proprietor signs this Contract when and if employees are hired.

ARTICLE VIII VACATIONS

A. All full-time employees covered by this Contract who have been employed full-time for the anniversary year shall receive:

- (1) after one (1) year one (1) week's vacation with pay.
(2) after three (3) years two (2) weeks' vacation with pay.

Each part-time employee who meets the eligibility requirements of this section of this Article shall on his anniversary date be entitled to receive:

One (1) week's pro rata vacation with pay to be calculated on the basis of the total hours worked during the applicable anniversary year divided by fifty-two (52) weeks.

C. Vacation time to be computed from date of employment or anniversary date thereof. It is understood and agreed that vacations will be taken at a time convenient to both the employee and the Employer. It is agreed that the employee's vacation will be paid at his/her current weekly rate of pay. It is agreed that the Employer will consult with, and give due regard to the recommendations of, the Head Meat Cutter in the shop and a Union Representative to determine whether or not a replacement or replacements are necessary when vacations are being taken; provided, however, that after the Employer has fully considered the recommendations of the Head Meat Cutter and the Union Representative, and if there is a disagreement between the Employer and the Head Meat Cutter and a Union Representative regarding the matter, the Employer's decision on whether or not a replacement or replacements are needed shall be conclusive.

D. After one year's service, if a full-time employee is terminated for any reason whatsoever, with exception of dishonesty, or is reduced to part-time status in lieu of lay-off, there shall be paid to said employee salary covering the period of prorated vacation to which he/she is entitled upon termination or reduction to part-time status.

E. When a holiday included in this Contract occurs during the calendar week on an employee's vacation, the employee at his option will be entitled to an extra day of vacation, or an extra day of pay in lieu thereof; however, the employee at the time he requests his vacation pay must inform Employer of his decision.

F. Should ownership change during the term of this Contract, the present Employer agrees to pay employees for that portion of vacation earned up to date change is made.

G. Choice of vacation dates will be granted on the basis of seniority in the market.

H. Employees shall be paid their vacation pay prior to their vacation period.

I. Employees entitled to vacations will not be given pay in lieu thereof unless mutually agreed to by the Employer, the employee and the Union.

J. After one year of employment any leave of absence totaling 90 days or less in any calendar year shall not affect vacation earned in that year; leaves totaling more than 90 days but not over 180 days shall reduce vacation and vacation pay by one-fourth ($\frac{1}{4}$); leaves totaling more than 180 days, but not over 270 days shall reduce vacation and vacation pay by one-half ($\frac{1}{2}$); leaves totaling more than 270 days shall disqualify the employee for vacation for that year only.

ARTICLE IX HOLIDAYS

A. A holiday shall be given to all full-time employees covered by this Contract on the following days without reduction in pay: New Year's Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day. Until a sixth legal holiday is observed by the retail grocery industry, one (1) additional day shall be granted to employees provided they successfully complete their 30-day probationary period. The sixth paid holiday shall be the employee's birthday. Holidays falling on Sunday shall be celebrated the following Monday. When an employee's birthday falls during a holiday week or during his vacation, another day off with pay will be given during the next succeeding non-holiday week.

B. Effective from and after the date of execution of this Agreement, the following holidays shall be considered as paid holidays for all qualifying part-time employees.

- (1) New Year's Day

When a part-time employee who is otherwise eligible for holiday pay allowance under the conditions as prescribed above is scheduled to work on a recognized holiday and fails to report to work, or to work the hours as scheduled on a holiday, or to work the scheduled day before or day after the holiday, such employee shall not be eligible to receive any holiday pay allowance.

C. An employee will not receive holiday or birthday pay if he is absent without excuse his last scheduled shift prior to the holiday or birthday or his first scheduled shift after the holiday or birthday or on his holiday or birthday if so scheduled. An employee will not lose his holiday or birthday pay if absence is caused by proven illness, or if his absence has been mutually agreed to, provided he has worked any part of the holiday or birthday week. To qualify for holiday or birthday pay the employee shall have been scheduled to work during the holiday or birthday week. The Union agrees that any employee in order to be eligible for birthday pay shall give written notice to the Head Meat Cutter during the second week prior to the date of his birthday.

Any of the first three (3) days excused absence from his regularly scheduled work shall be paid at the employee's regular basic rate, but such hours and pay shall not be considered as hours worked for overtime purposes. No extra pay allowance shall be paid for multiple or simultaneous deaths occurring within any three (3) day period. No pay allowance shall be granted in any case where, because of distance, or other cause, the employee does not attend the funeral of the deceased.

By immediate family is meant to include spouse, son, daughter, mother, father, sister, brother, mother-in-law, father-in-law, grandmother, grandfather and grandchildren.

B. The Employer agrees to grant the necessary time off without dis-

crimination or loss of seniority rights and without pay to not more than two (2) employees out of any one store, and no more than five (5) employees from any Employer, designated by the Union to attend to Union business provided the Employer is given at least one (1) week's notice in writing from the Union, specifying the length of time off, but in no case shall the length of time exceed one (1) year.

C. Service for the purpose of determining wage increases under the wage progression scales set forth in Appendix A shall be retained for the period prior to the time such leave of absence begins, but shall not accrue during such leave of absence which is in excess of thirty (30) days. However, on the employee's return to work from such leave of absence, service for the purpose of determining wage increases under the wage progression scale set forth in Appendix A shall begin to accrue.

D. An employee who has had one (1) year of continuous service will be granted a leave of absence upon her written request supported by a statement from a physician certifying that the employee is pregnant and the anticipated birth date. Such leave shall expire not later than three (3) months after birth or miscarriage unless the employee requests in writing an extension of the leave, supported by a doctor's certificate certifying that such an extension is necessary but in any case the leave of absence shall not be extended more than an additional three (3) months. Two (2) weeks before the expiration of a pregnancy leave, the employee shall notify the Employer that she will be available for work at the expiration date of her leave and will have a doctor's release at the time unless she requests an extension as provided herein.

E. Any employee desiring a leave of absence must secure written permission from the Employer, except as otherwise provided within this Contract. The length of absence shall be agreed upon by the Employer and the employee. Failure to report back to work at the end of such leave shall result in the employee being considered a voluntary quit. Any employee accepting employment elsewhere while on leave of absence shall be considered a voluntary quit, except in a case where such employee works for the Union. Under Sections D & E of this Article, service for the purpose of determining wage increases under the wage progression scales set forth in Appendix A shall be retained for the period prior to the time such leave of absence begins, but shall not accrue during such leave of absence which is in excess of thirty (30) days. However, on the employee's return to work from such leave of absence, service for the purpose of determining wage increases under the wage progression scale set forth in Appendix A shall begin to accrue.

F. Any employee in Military Service under the provisions of the Federal and/or State Law, shall be returned to his job in accordance with those Laws and retain his seniority in accordance with those Laws.

G. When an employee is required to serve on the Jury, he shall receive the difference between his regular straight-time rate and the amount received for Jury Duty; provided that the employee notified the Employer within twenty-four (24) hours of receipt of the Jury Summons. When an employee is excused from Jury service, permanently on any scheduled workday, the employee shall promptly report to complete any remaining hours of his scheduled workday.

H. Leaves of absence because of sickness or injury not to exceed ninety (90) days will be granted to full-time employees who have been employed at least thirty-one (31) days upon written request to the Employer supported by medical evidence. Extensions will be given up to ninety (90) days at a time for a cumulative total of one (1) year, if requested and granted in writing supported by proper medical evidence, prior to each expiration.

In exceptional cases additional leaves may be considered by the Employer based on the nature of the disability, length of the employee's service, and probability of being able to again perform his job. Service for the purpose of determining wage increases under the wage progression scale set forth in Appendix A shall be retained for the period prior to the time such leave of absence begins, but shall not accrue during such leave of absence. However, on the date the employee returns to work from such leave of absence, service for the purpose of determining wage increases under the wage progression scale set forth in Appendix A shall begin to accrue.

ARTICLE XI SENIORITY

A. Seniority for full-time employees shall be followed by the Employer, in each seniority area separately, such seniority areas to be mutually agreed upon between the Employer and the Union, for the following classifications:

- (1) Head Meat Cutters
- (2) Journeymen Meat Cutters
- (3) Apprentice Meat Cutters
- (4) Weighers and Wrappers

B. In the event of a reduction in hours and/or lay-off of full-time employees in a market, the least senior employee in the job classification in the market affected by such reduction or lay-off may replace the least senior full-time employee in that classification in the seniority area and/or zone.

C. In the event of a recall of employees after lay-off or reduction of hours such employees on lay-off or reduced hours status, shall be called back to work and/or have their hours restored in the order of their seniority in the job classification in the seniority area and/or zone.

D. Seniority for part-time employees shall be followed by the Employer in each store separately only in cases of lay-offs and recalls, for the following classifications:

- (1) Journeymen Meat Cutters
- (2) Apprentice Meat Cutters
- (3) Weighers and Wrappers

E. The Employer shall post semi-annually separate seniority lists by job classification for all full-time employees in each seniority area in each store and for all part-time employees who have been employed at least ninety (90) working days.

F. The Employer shall furnish to the Union a duplicate copy of each seniority list for all full-time and all part-time employees.

G. The original posted seniority lists shall establish the seniority of each employee who does not in writing protest his seniority within thirty (30) days after such employee has had the opportunity to observe such seniority list.

H. Seniority for full-time employees shall be based upon the length of continuous service with the Employer in the particular job classification in the seniority area except as otherwise provided herein. Seniority for part-time employees shall be based upon the days of work with the Employer.

I. Seniority for full-time and part-time employees begins to accrue after an employee completes thirty (30) days of employment in the job classification with the Employer provided, however, that seniority in the area in which the employee is employed on the thirtieth day shall date from the date of such employment in the job classification with the Employer if the employee is retained in the service of the Employer beyond such probationary period.

When a full-time apprentice is promoted to the full-time journeyman classification, his seniority as a full-time journeyman shall date from the beginning of his full-time employment with the Employer.

J. The Employer shall have the right to release any employee for any cause whatsoever without recourse, provided such employee is released within thirty (30) days from the date of the employee's employment.

K. An employee's seniority shall terminate upon the occurrence of any of the following events:

- (1) Employee quits.
- (2) Employee is discharged for just cause.
- (3) Employee fails to return to work within seventy-two (72)

hours after being recalled by the Employer by Registered Mail at his last known address.

8-7-74
05

(4) Employee has not been on the active payroll of the Employer for a period of six (6) consecutive months.

L. Employer agrees to advise the Union promptly of all lay-offs, discharges, recalls and permanent transfers of full-time employees.

M. Any regular full-time employee who would be laid off for lack of work will first be offered the maximum number of part-time hours available in his classification in the seniority area. If he accepts the offer to work part-time in lieu of lay-off, he will be placed at the top of the part-time seniority list.

N. A full-time employee who is reduced to part-time because of a reduction in work hours by the Employer shall retain his or her full-time seniority for two (2) years after being reduced to part-time.

O. A full-time employee who is reduced to part-time with the approval of the Employer at the employee's written request shall lose their full-time seniority. However, they shall have preference over a new employee for a full-time job in their classification in their store only.

P. When a journeyman is promoted to Heat Meat Cutter, he shall retain seniority in the journeyman classification.

Q. In case of store closing, the Head Meat Cutter in each store shall retain seniority in the journeyman classification. Service in the Head Meat Cutter classification immediately prior to his most recent appointment as a Head Meat Cutter shall be credited to his journeyman classification seniority. In case the Employer sees fit to place the Head Meat Cutter of a closed store in another store as Head Meat Cutter, the displaced Head Meat Cutter shall retain seniority as a journeyman, including his service in his most recent appointment as a Head Meat Cutter.

R. When two (2) or more employees are hired into the same job classification on the same date in the same seniority area, the Employer shall at such time as it becomes material advise the Union of their seniority status.

S. Transfers of full-time employees are permitted between markets of the employer in the seniority area or zone provided seniority is followed. Transfers shall be based on legitimate business needs. Seniority for all transfers shall be based on seniority in the area and/or zone except for vacation relief, illness, or store openings unless otherwise agreed to in individual cases by the Employer and the Union. Employees transferred for vacation relief or to act as relief because of illness shall be returned to the store from which the transfer originated. In cases of transfer for vacation relief or because of illness seniority in the market will be followed.

T. When a full-time employee is transferred into another seniority area at his request, such employee shall be placed at the bottom of the seniority list of the job classification in the seniority area to which such employee has been transferred. When a full-time employee is transferred into another seniority area at the Employer's request, such employee's seniority in the seniority area into which such employee has been transferred shall include his seniority prior to such transfer.

U. A Head Meat Cutter who is demoted to journeyman for any reason whatsoever, shall have his continuous service credits transferred to the journeyman seniority group.

V. Part-time employees shall be given the first opportunity for permanent full-time jobs in their classification based on seniority in their respective stores before new employees are hired for such full-time jobs.

Where no part-time employee within a store desires full-time work, employees working less than forty (40) hours in the area and who have previously indicated in writing to the Employer their desire for full-time work shall be given the first opportunity for full time work based upon seniority in their classification.

W. The Employer will schedule all work for part-time employees based on seniority within their classification within their store not to exceed eight (8) hours in any one (1) day or forty (40) hours in any one week provided the employee is qualified and available for at least four (4) consecutive hours when the work is available and that this scheduling does not conflict with or prohibit the simultaneous scheduling of another part-time employee. However, this scheduling is not intended to mean that the Employer must schedule so as to incur additional premiums or penalties or violate any provision of this Contract. The part-time employee with seniority must advise the Store Manager that he is available for a posted schedule within twenty-four (24) hours after the store schedule is posted or he has no claim on such schedule of hours.

Part-time employees by classification with the most seniority within a store will be given the part-time schedule with the most hours, provided they are qualified to perform the work required and are immediately available.

X. During the term of this Agreement, the Employer will not reduce the scheduled hours of its regular full-time employees on the payroll as of April 15, 1973, until the following:

(1) All part-time employees by classification who were on the payroll April 15, 1973, and not covered by Health and Welfare, and Pension are laid off in that store.
